

## What Students Have to Say

All high school students who participate in Running Start complete anonymous evaluations of their WMCC course at the end of the course. Here is what a few students have had to say about their experience.

*It is worth the credits, time, money, and effort.*

*The program is great!*

Students at White Mountains Regional High School

*It's definitely worth it.*

*It's a great opportunity. It gives you a head start for college and gets you ready.*

*It's a good value.*

Students at Littleton High School

*If you work hard it will pay off.*

*Be sure to work hard*

Students at Gorham High School
